## Dedication

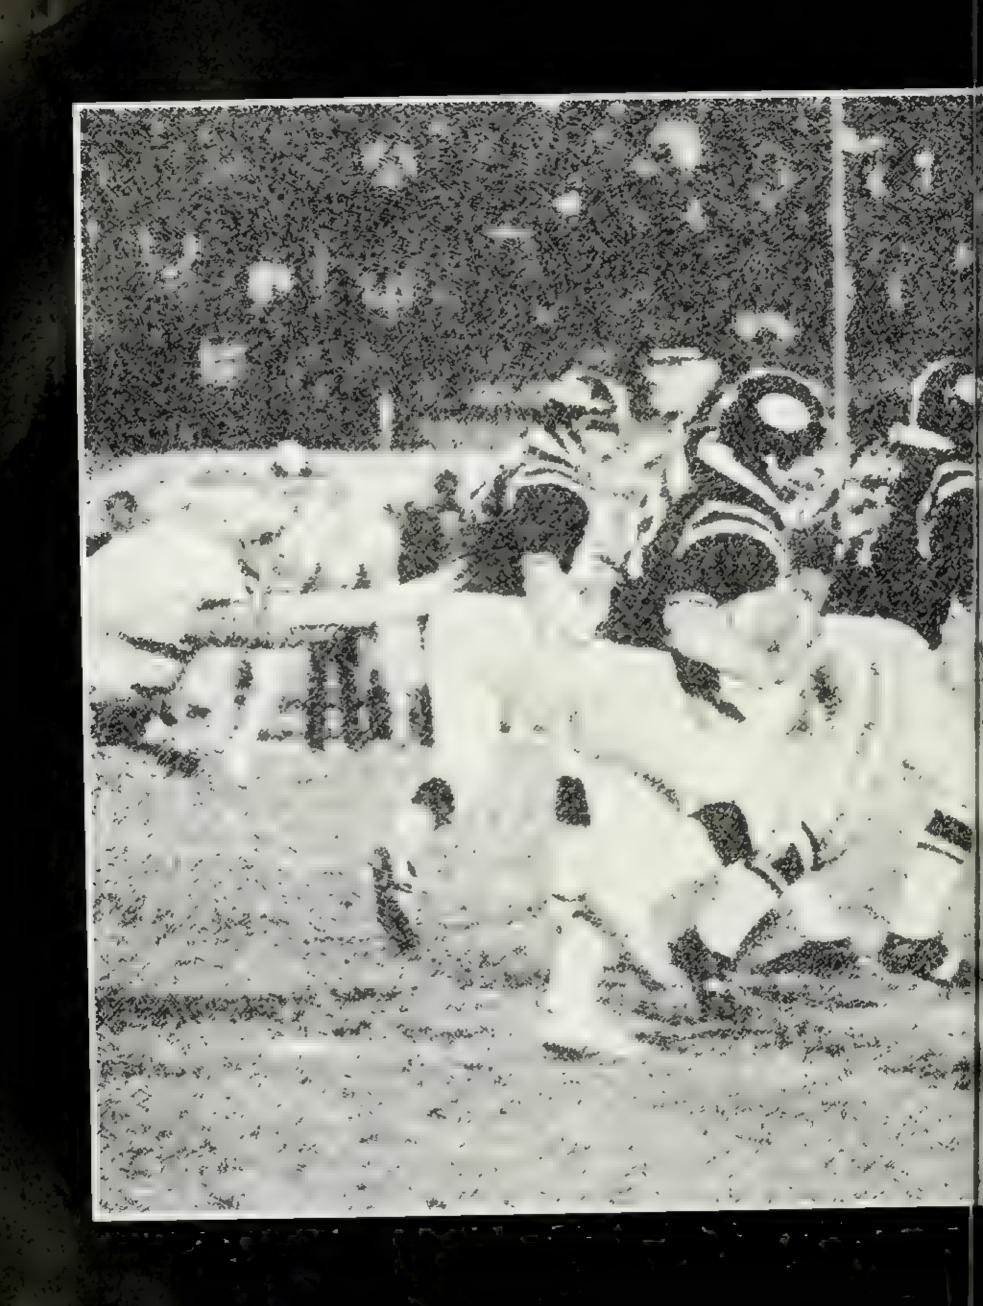

In the past the Salesian annual has been dedicated to someone who has devoted time, effort, or money to the school. This year the annual staff decided to dedicate the 1972 *Etalon* to Mrs. Agnes Ashimme, because she has done all of these things and a great deal more over the past eight years.

As president of the Mother's Club for the last four years, Mrs. Ashmine has led that group with a kind of leadership that has never been matched here at Salesian. More than one of the mothers has said that Mrs. Ashimine is the Mothers' Club. She has also been an active member of the Salesian Advisory Board.

We on the ETALON staff, speaking for the entire student body and faculty, wish to thank Mrs. Agnes Ashimine for all the time and effort she has given us. None of us will ever forget her unselfish and untiring spirit.

#### **Football Review**

For two consesutive years now, the Mustangs have excelled in their powerhouse type offense. They have moved top ranked teams and smashed all feeble ones with relative case. They have excelled in spirit and have now become known as a dreaded for

However, unlike any football team in Salesian's history, they have become known as a proto-type for all ambitious teams. These Mustangs have broken long revered records with no regard for past sentiments. There 6-3 win-lost record edged out the previous best of 5-3-1. Jesse Ramirez's 96 yard interception is the longest in Salesian's books. Other phenomenal feats such as, being the first Salesian team ever to be rated in CIF play, winning five consecutive games, scoring the most points in a single game (3-1), and having 20 members on the all league team are all new records when will be long standing.

#### THE SEASON

The 1971-72 hasketball team was very inexperienced. Eight of the twelve members were juniors, and three of the four seniors had little or no varsity playing experience.

We were not able to sustain a winning attitude throughout the year. Players who were elevated to the first string because complaent and these the linear continually changed. We did not have any size, and we lacked quickness and consistent shooting.

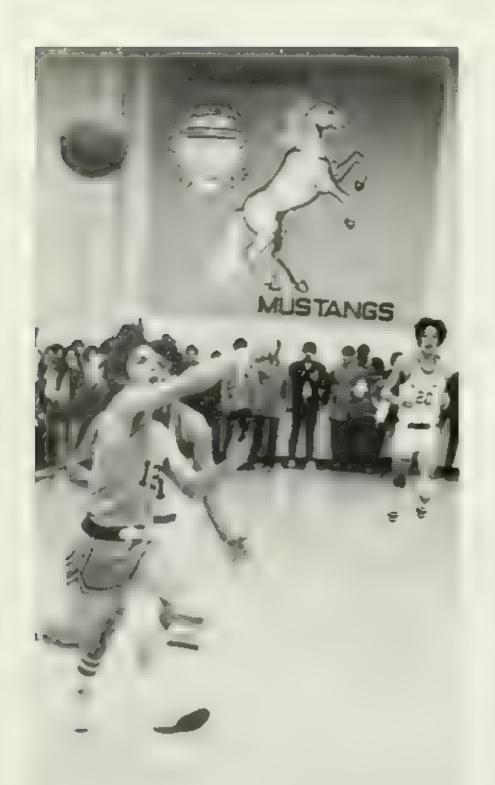

Frank Carreon, a three year letterman, did receive All-League recognition. But this was the only highlight of the season.

Next year we hope for a more successful season with dedication from our eight juniors and several junior varsity players of this year.

### The Season

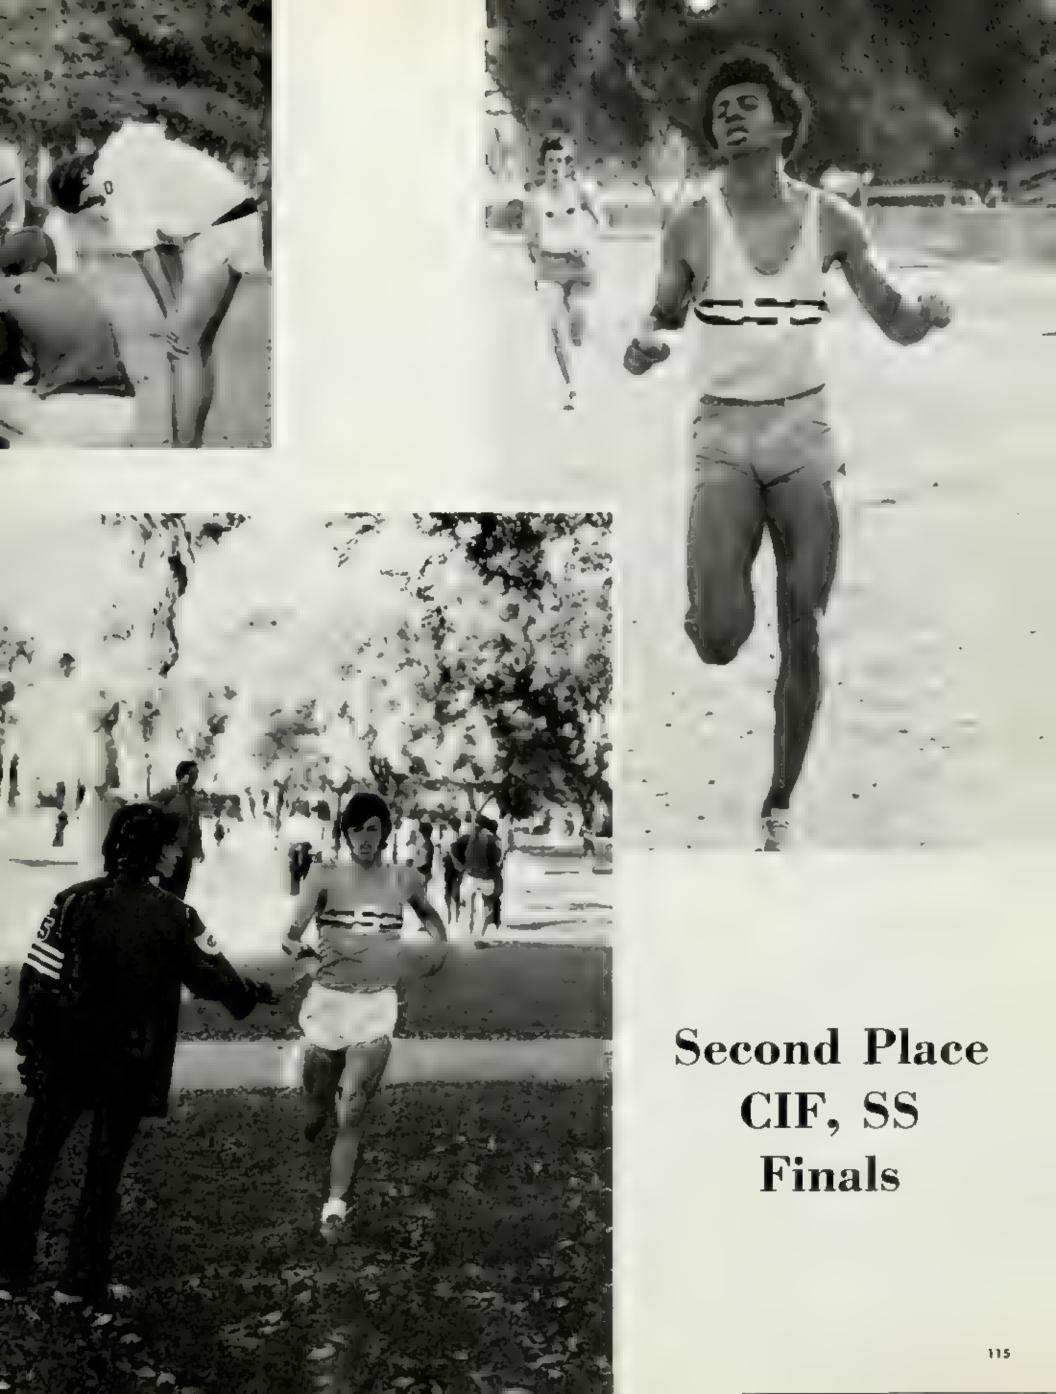

Sparked by captain Pete De Les Reyes, a senior, the Salesian runners posted a very impressive 10-1 record. The initial outing saw the only defeat to an always tough San Marino squad on their course. The team captured their 3rd title in a row, thus advancing to the CIF, SS femals. They placed 2nd in the very strong A division

Two other seniors, Dave Carba al and Frank Valencia contributed greatly to the Mustangs' success. These young men will be sorely missed come next year. We'll still get strong support from jumor Ed Torres, who potentially could become one of the great Salescan run ners.

Rounding out our team were seniors Sergio Varela and Dave Sanchez, plus jumor Alonzo Davis — all fine men. Two outstanding sophomores, Cresencio Rodriguez and Ed Martinez, conducted themselves capably with 12th and 14th place finishes in the CIF SS Division A Championship run, Complementing these are Rudy Gil and Ed Puella, both excellent runners with fine futures. Congratulations to the whole Varsity squad on spreading Salesian's pride and spirit

#### SALESIAN DAY

On January 28, 1972 the student body celebrated the feast of St. John Bosco, the founder of the Salesian Society. The main concelebrant of the Mass was His Excellency Archbishop Timothy Manning, who was making his annual visit to Salesian

The long awaited debut of the Salesian High School Band highlighted the day

We of the Etalon Staff would like to thank the Archbishop for continuing the tradition of visiting Salesian which he started years ago

#### ASIAN CLETURE DAY

A day honoring the culture of the Asian students at Salesian High was held on Friday, January 18th. The object of the whole program was to make the students of Salesian and the community aware of the cultural background of the Asians. There was a skit on the internment of the Japanese-Americans during World War II, a talk on "Identity" by a former Salesian student, and a miniature-tree display. The program continued over the weekend, with karate and flower-making exhibitions, as well as a Japanese tea ceremony. The Asian Culture program came about through the efforts of two people. Mr. Mike Sakamoto, a Salesian faculty member, and Mrs. Agnes Ashimine, President of the Mother's Club, Many thanks to those who assisted in the preparation and actual carrying out of the cultural program.

Mr. Ben T. Sozaki, along with other members of the Japanese community. Selped to make this day possible.

Martin Luther King Jr. was one of the greatest men that ever lived. It is therefore proper that Black Culture Day at Salesian High is celebrated on Dr. King's birth day. The black students put on a fine program, and the guest speaker. Mr. Walter Atwood, a former Salesian faculty member gave a moving speech on Black History It is fortunate then, that the black students, under the direction of Mr. Herman Hodge were able to share a small part of their culture with us that day

#### Peace Prayer

ORD make me an instrument of Your peace Where there is hatred let me sow love: where there is injury, pardon; where there is doubt faith: where there is despair hope: where there is darkness, light: and where there is sadness, joy

DIVINE MASTER grant that I may not so much seek to be consoled as to console to be under stood as to understand to be loved as to love, for it is in giving that we receive: it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life.
